LAUNDRY POLICY

All laundry facilities at all locations are exclusively for the use of:

TENANTS AND LHA EMPLOYEE USE ONLY.

No tenant is to put clothing or items that contain unsanitary bodily fluids or chemicals, oil, gas, etc, into the washers or dryers.

Tenants are not to overload the machines with clothing or excess laundry detergent which would cause a flood.

LAUNDRY ROOM AT CHESTNUT STREET:

Please adhere to the times you are allowed to do laundry - It is allowed from 7 AM to 9 PM. No laundry is to be done before or after those times.

Absolutely no pet blankets or bedding are to be washed in these machines.

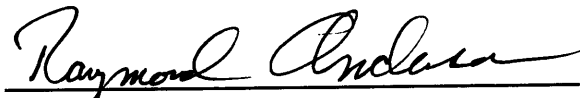

Absolutely no rubber backed carpeting is to be washed in these machines. The rubber will shred and clog the machines.

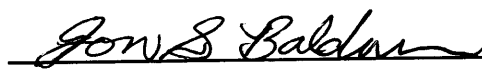

Please - remove tissues from your pockets. If you fail to do this and tissues are all over the inside of the machine, please clean the machine for the next person.

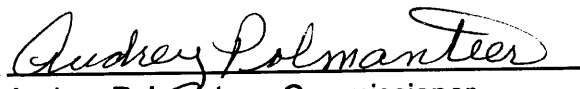

Promptly remove your clothing from the washers and dryers as soon as they are finished in order for other tenants to be able to use the machines.
